

Dutton Brock is pleased to announce that the Canadian Defence Lawyers has named an award after our own Philippa Samworth

The Philippa G. Samworth Award for Advancement of Women in the Legal Profession recognizes individuals for distinguished service to women in the legal profession in Canada. The award honours commitment to advocating the inclusion and promotion of women in the legal profession through activity that has a visible, tangible, or measurable impact on the perception of attitude toward, and respect for the treatment of women, and fostering women's initiatives and promoting positive mentoring relationships with other women in the legal profession. It demonstrates leadership in the development of measures to fight gender discrimination and prejudice in the profession.

We are extremely fortunate to have the opportunity to work with Philippa.
